### Product Description

#### Description:-

- [EASY TO CLEAN] Our flour sifter is easy to clean, just use water to clean it, it's convenient. After you are done using it, you can just wash it with water and rinse the food residue of the surface for the next use.
- [WIDELY USED] This flour sifter is suitable for making cakes, puffs, cookies, bread, etc. It makes powdered sugar and cocoa powder more even and beautiful. Perfect for use in restaurants, hotels and home kitchens.

- **STAINLESS STEEL** Made of high-quality stainless steel. It's sturdy, compact and it looks great - and best of all, it won't transfer tastes or odours!
  - **WIDELY USED** Great for aerating all purpose flour, bread flour, cake flour, coconut flour, almond sifter, tapioca sifter, powdered sifter, gluten free flour, for lighter baked goods and helps mix and blend in other ingredients evenly, like salt.
  - **GOOD VALUE FOR MONEY** The design is simple and practical, and it is a good helper for the kitchen. The price is very affordable.
  - **CLEAN** Before use, wipe it with cotton cloth, then sift it with flour to use it. After use, do not wash with water. Due to the complex internal structure of the flour sieve, it will cause the remaining flour and water to coagulate and breed bacteria.
