## Product Description

- [DOUBLE SIDED TOOL] : This hair remover has a double-sided removing brush and a unique PP handle design. One side of the pure copper blade can quickly remove the lint and pet hair for clothes, and the other side can be used to smoothen the clothes!
- [USE ON ALL SURFACES] : This fur remover can easily remove pet fur from sweaters, wool velvet, fluffy balls, curtain fabric, bed linen, carpet, furniture, couch, etc. But, this fabric shaver can not be used for shirts, low-density knitwear, suit jackets, cardigans, and some soft fabrics.
- [EASY TO CLEAN & CARRY] : This tool is small in size and lightweight! After shaving, you can gently wipe clean which is convenient for family travel anytime.
- [USAGE INSTRUCTIONS] : To reduce damage caused by incorrect operation, test the fabric by scraping gently for the first time, identify fabrics that will work. Then choose the angle of 10° or 45° to remove the fur from surface. If you want to remove lint, use the side with copper strip. And if you're going to smooth your pet hair, use the teeth side.
- [NOT SUITABLE FOR] : Not suitable for thin knitted fabrics, such as cotton shirt, and pants. When using your fuzz remover, please use it a little gently first and test on various surfaces first..
