Product Description

- **2-in-1 Heat Sealer with Cutter:** This mini bag sealer comes with both heat sealing and blade cutting. Keeping food fresh is much easier with this handheld heat sealer, you can seal food vacuum bags, or chips bags directly to prevent food spoilage. The built-in stainless steel sharp blade helps you open the package quickly and smoothly.
- **Rechargeable Battery:** This bag sealer is equipped with a built-in 400 mAh battery. Compared with old-style heat sealer machines, this bag heat sealer is more powerful, and also environmentally friendly since no batteries replacement is required! Normally, a full charge needs 2.5 hours, and it lasts for 10~15 days (depending on the frequency of use). TYPE C cable included.
- **Suitable for Different Plastic Bags:** This mini heat sealer machine can reseal various bags to keep food fresh and crispy, such as chips, snacks, sandwiches, candy, pet food vacuum bags, etc, also works for mylar bags, and plastic bags, but is not suitable for a wrap, cellophane bags, kraft paper bags, pure aluminium bags or thin food storage bags.
- **Handheld and Portable Plastic Bag Sealer Mini:** This hand held bag sealer mini can be placed on the refrigerator with magnetic on the back, so you can get it very conveniently. Its mini size enables it to be placed anywhere in the house to save space or in bags. Only weighing 0.2 pounds, it's portable to carry out for picnics and camping trips and helps keep food fresh outdoors.
- **No Preheating Needed:** Only in 5s, you can regain an airtight bag. This bag sealing machine can be heated very soon, it's a powerful and efficient automatic sealing machine that can quickly heat and seal bags at a stable working temperature. Switch on, and in 1

sec, you can directly seal the package and bag resealed firmly in 5 sec, convenient and time-saving. Power off immediately after use to save battery.

- Professional Heat Sealer will easily reseal original plastic bags so food will stop being exposed to dust and bacteria. Store food in original packaging help save the Earth.
- Airtight seal - Create airtight seal and prevent your food from tasting bland and stale and lock in freshness and flavor. Also safely pack cosmetics when traveling.
