Product Description

Fridge Bags for Fruits and Vegetables with Zip Net (Multicolour) Made of fine plastic mesh with a zip closure, these bags allow air to flow through them, preventing mould from developing on fresh food No need to store your fruits and vegetables in regular plastic bags anymore. These bags eliminate moisture collection and bad smells. These multi-purpose storage bags are very handy for separating and storing different vegetables and fruits in the vegetable compartment or on the shelves of your fridge They are completely washable bags and can be used to store different items every time. **Features :** **ZIPPER :** All these storage bags come with a sturdy zipper to keep the items intact and prevent them from getting spilled or misplaced. Store in it, zip it and relax **DUAL-LAYER MESH FABRIC :** To make the bags more effective in carrying the weight, two layers of mesh are used to provide the strength and longevity of the bags while also ensuring proper air circulation **DURABLE :** These bags can be used repeatedly for a variety of purposes. Clean it and these are as good as new to be used again. A step towards sustainable use makes big differences.
