Product Description

Cleaning your kitchen is now a fun process with Prestige clean home dish brush. The dish brush effectively cleans gas stoves, sinks, kitchen slabs and kitchen tiles etc. The soft bristles offer scratch-free cleaning. The dish brush also protects your hands from chemicals. The self dispensing cleaning brush with soap reservoir is very easy to use. Just open the top and add the soap or detergent. Its hidden plunger action releases soap into bristles when pressed and you can clean without using extra detergent or soap. It scrubs pots, greasy dishes, pans, tiles with ease.

Lightweight

The dish brush is designed to be lightweight with durable soft bristles for convenient usage and easy cleaning. Durable & Long Lasting Sturdy body construction, non-scratch and odorless nylon bristles easily scrub off grease and grime, and they are safe to use on non-stick cookware.

Convenient to Use

Turn the upper part anti-clockwise to open it, and inject soap to fill the body and lock it clockwise. It will squirt soap with a light push of the button on top. The brush head can be easily removed and replaced.

Versatile Kitchen Tool

Use it everyday to clean your pan, pot, dish, sink, stoves, kitchen utensils, cast iron, counter-top etc. It protects your hand from touching the detergent directly. The ultimate dish-washing tool in the palm of your hand Dispense soap on command and make washing dishes a breeze. The

ergonomic shape gives you a comfortable, non-slip grip when washing dishes, while durable bristles cut through even the toughest food residue. To refill, unscrew the cap and add soap. It scrubs pots, greasy dishes, pans, tiles with ease. you may have to add water for different consistencies of liquid soaps It is dishwasher safe and not to be used for non-stick surfaces. It saves about 60% of liquid soap and is economic to use It protects your hands and fingernails. It is an ideal cleaning brush for kitchen, bath, laundry and other household chores Its hidden plunger action releases soap into bristles when pressed and you can clean without using extra detergent or soap The self dispensing cleaning brush with soap reservoir is very easy to use. Just open the top and add the soap or detergent

Product Description

Household Mini Multipurpose Wall Protectors Anti-Collision Self-Sucking Silicone Door Stopper ? Protect Wall The silicone door stopper absorbs shocks through door handles and cushion against wall collisions. It protects wall from damage. ? Widely Use This silicone door stop can work as not only door stops but also mobile phone stand, key holder, data cable holder and even toothbrush holder. It can be a good choice of storage organizer for gadget. ? Easy to Install No tools needed. Just insert handle or data cable, key into the ring. Or attach it to the back of mobile phone. Please clean the surface which to attach before use. ? Self Sucking Self sucking door handle bumper can be stuck on a smooth, flat, clean ash-free surface like glass, metal, lime wall, ceramic, etc.. ? Keep Door Open You want to keep door open, but a slight breeze would come through the door closed, also the naughty kid will close the door roughly, which will cause the damage to door and wall. Now, silicone door stop can keep door open. Suction cups can show strong adsorption capacity on smooth walls such as glass, metal, marble, ceramic tiles, etc., but it is difficult to show strong adsorption capacity on dry or rough walls such as wallpaper, lime and putty. ? Features No Need to Drill, No Damage on Your Wall

and Doors. Easy to Install Door Catch within 30 seconds, No Tools Needed. Safe for your body and house. Durable material can recycle. This door stopper is removable, traceless, washable and reusable. ? How to use Put the collar of the door stop in the middle of the lever door handle, with the suction cup of the door stop facing the wall.
